Course Lead

Katharine Rowe of Hitchin Girls' School has developed the programme and will be supported by experienced and highly skilled Heads of Year.

Katharine has been a Pastoral Leader at Hitchin Girls' School for five years and Head of Classics for fourteen years. She is currently the Lead on Behaviour and Attendance and works closely with all Year Heads, providing coaching-based support to enable them to identify solutions to reach positive outcomes.

Katharine has set up effective systems for overseeing Behaviour and Attendance at all levels in school. Her 'Effective Pastoral Leadership' CPD sessions have proved popular and have enabled colleagues who attended to acquire pastoral leadership positions. Katharine has developed robust reporting systems which have facilitated systematic analysis of Behaviour and Attendance data across the whole school and allow the relevant steps to be taken to support students.
